

When I held you in my arms for the first time I couldn't believe, you were such a dream  
Soft skin, a button nose, little hands and tiny toes  
Wrapped in a blue blanket, the world at your fingertips

Soundly asleep, oh I just want to keep you safe for all of your days  
I have never felt so much unconditional love  
Oh you are the reason I keep on dreaming

**My sweet, sweet baby blue**  
The sound of your laughter lights up this room  
You're so sweet, sweet baby blue  
Oh don't you worry 'cause we'll take good care of you

It doesn't really take long to see  
That looking after you isn't easy to do  
But it goes so fast when you count the weeks  
Of tears, smiles and chubby cheeks  
Your nature is showing as you keep on growing

Oh I never want to miss a beat  
Cause i just want to keep you safe, forever and always  
All those long days and sleepless nights, oh we will dry those crying eyes  
Cause you are so perfect, baby you're worth it

**My sweet, sweet baby blue**  
The sound of your laughter lights up this room  
You're so sweet, sweet baby blue  
Oh don't you worry 'cause we'll take good care of you

When the bough breaks and the cradle falls  
We'll be holding your hand through it all  
So don't be scared 'cause we'll be there  
Baby just be who you are  
And we'll keep dreaming those dreams

**Sweet, sweet baby blue**  
The sound of your laughter lights up this room  
You're so sweet, sweet baby blue  
Oh don't you worry 'cause we'll take good care of you  
Oh don't you worry 'cause we'll take good care of you
